## Access to Services in Your Language: Complaint Form

New York State's policy is to take reasonable steps to overcome language barriers to public services and programs. To do this, our goal is to: 1) Talk to you in your language and 2) Provide vital forms and documents in the top six, most frequently used languages, in addition to English.

Your comments on this form will help us towards that goal. All information is confidential.

Please print, and sign the form with black ink. Then send it by mail, fax, or email written above.
